SITUATION OF REGISTERED OFFICE OF THE COMPANY

5. The registered office of the Company shall be at such address in the Cayman Islands as the Directors shall from time to time determine. The Company may in addition establish and maintain such other offices and places of business and agencies in such places as the Directors may from time to time determine.

SERVICE PROVIDERS

6. The Directors may appoint any one or more person or persons to act as service providers to the Company (including, without limitation, persons to act as manager, administrator, custodian, investment manager, Investment adviser, sponsor and/or prime broker to the Company) and the Directors may entrust to and confer upon such service providers any of the powers exercisable by them as Directors upon such terms and conditions including the right to remuneration payable by, and indemnification from, the Company and with such restrictions and with such powers of delegation as they think fit and either collaterally with or to the exclusion of their own powers.

SHARE CAPITAL

- 7. The authorised share capital of the Company as at the date of adoption of these Articles is US\$50,000 divided into:
 - (a) 49,900,000 Participating Shares with a par value of US\$0.001 each which may be issued in different classes or series as the Directors may determine; and
 - (b) 100 Management Shares with a par value of US\$1.00 each.

Any authorised but unissued Participating Shares of any class or series may be classified or reclassified by the Directors into any other class or series with such rights and/or restrictions as they shall determine in their sole discretion.

8. The Directors may in their absolute discretion determine to classify or re-classify any authorised but unissued Participating Shares of any class or series into Participating Shares of a new class or series representing or having different rights in respect of the assets of the Company. The Participating Shares shall be issued as Participating Shares of the relevant class or classes determined and designated by the Directors from time to time, each such class representing the

capital contribution made by the holders of the relevant class of Participating Shares. Each class of Participating Shares shall rank equally in priority and preference save as expressly provided in these Articles and as determined by the Directors from time to time and specified in the applicable Offering Memorandum from time to time and except that the capital contributions made in respect of each class (and resulting investments therewith) shall, subject as provided in these Articles, be maintained in accounts with separate records in the books of the Company, the subscription proceeds of each class of Participating Shares being invested principally in such investments and with such investment objectives for such class and upon such other terms and conditions as may be determined by the Directors and specified in the applicable Offering Memorandum from time to time. The Directors may in their discretion determine to issue classes of Participating Shares with differential rights in respect of one or more Funds. This may include, without limitation, Participating Shares of a class denominated in a currency other than the base currency of the relevant Fund and/or Participating Shares of a class to which different fees and/or charges apply in respect of the Participating Shares themselves and/or the assets of the relevant Fund attributable to the respective classes of Participating Shares. Separate records will be maintained in the records of the Company in respect of each class but the capital contributions made in respect of each such class (and resulting investments therewith) may, at the discretion of the Directors, be maintained in the same Fund as for other classes of Participating Shares issued in respect of the same Fund (save, in respect of Participating Shares denominated in different currencies to the base currency of account of the Fund, for transactions in Investments intended to enhance or protect the value of the relevant class with regard to changes in exchange rates between the currency of denomination of the class and the base currency of the Fund). Portfolios may be shared where the class differential relates to currency and/or charges.

- 9. The Directors may in addition in their absolute discretion issue Participating Shares of a class or series which may only be acquired by persons appointed to provide services to the Company pursuant to Article 6, their affiliates or associates or connected persons or respective directors, employees or agents, or such other persons as the Directors may, in their absolute discretion, determine. Any such class or series of Participating Shares may be issued on such terms as the Directors may in their absolute discretion determine including, without limitation, on terms that no fees and/or charges, or differential fees and/or charges, are payable in respect of the shares of the relevant class or series and any such Participating Shares may be issued in consideration of the waiver of fees payable by the Company to the subscribers of Participating Shares.
- 10. The rights and restrictions attaching to the Participating Shares are as follows:

(a) Dividends

Holders of Participating Shares of any particular class or series shall be entitled to such dividends as the Directors may in their absolute discretion lawfully determine and declare in respect of such class or series taking into account the interests of that class or series in the assets, income or profits of the Company.

The Directors may in their absolute discretion declare a dividend payable in respect of any class or series of Participating Shares without declaring a dividend payable in respect of any other class or series of Participating Share.

(b) Voting

Holders of Participating Shares do not have the right to receive notice of, attend, speak and vote at general meetings of the Company.

(c) Redemption by the Holder

Save to the extent that the provisions of any applicable Offering Memorandum provide to the contrary, the holder of any class or series of Participating Shares may, provided that

such holder has held such Participating Shares for the minimum period of time as set out in the applicable Offering Memorandum (if any), by the delivery to the Company's duly authorised agent of a redemption request (and any other documents referred to in the applicable Offering Memorandum) in such form as the Directors may from time to time determine at least sixty (60) days (or such other period as specified in the applicable Offering Memorandum) prior to the relevant Redemption Day, require the Company to redeem, and subject to the provisions of the Companies Law, these Articles and the applicable Offering Memorandum the Company shall redeem all (or some only provided, unless the Directors determine otherwise, that the value of the Participating Shares of that class or series held by the holder following a redemption of some only of such Participating Shares equals or exceeds the value as set out in the applicable Offering Memorandum (if any) and provided, unless the Directors determine otherwise, that the value of the Participating Shares of that class or series being redeemed equals or exceeds the value as set out in the applicable Offering Memorandum (if any)) of such Participating Shares of that holder on the applicable Redemption Day at the Redemption Price per Participating Share on the relevant Redemption Day. The Directors may in their absolute discretion waive any notice period specified for such redemption, either generally or in respect of a specific redemption. The Directors may, in their absolute discretion, make any adjustments or deduct a redemption fee or charge from the Redemption Price per Participating Share as set out in the applicable Offering Memorandum. The Directors may, in their absolute discretion, waive the requirement for a holder of Participating Shares to hold Participating Shares for a minimum period of time prior to such holder being able to require redemption of these shares in accordance with these Articles, either generally or in respect of a particular redemption.

The Directors may, in their discretion, limit the total number of Participating Shares, which may be redeemed on any Redemption Day as specified in the applicable Offering Memorandum. Where this restriction is applied, Participating Shares will be redeemed in accordance with the terms stipulated in respect of a particular Fund, class or series of Participating Shares in the applicable Offering Memorandum.

The Company, the Directors and the Company's other agents may rely upon any redemption request believed by them in good faith to be genuine.

Any notice received after such time as may from time to time be specified by the Directors on a Business Day (at such location as may from time to time be specified by the Directors) may be deemed by the Directors to be received on the next following Business Day and save as provided by the following paragraph of this Article, a holder of Participating Shares shall not be entitled to withdraw a request duly made for redemption of Participating Shares without the approval of the Directors.

If the determination of the value of a relevant Investment Account or the Net Asset Value per Participating Share of the relevant class or series is suspended beyond the day on which it would normally occur by reason of a declaration by the Directors, the right of a holder to have the Participating Shares of the class or series, in respect of which such investment Account was established, redeemed shall be similarly suspended and during the period of suspension the holder may withdraw his request for redemption. Any withdrawal of a request for redemption under the provisions of this Article shall only be effective if actually received by the Company's duly authorised agent before termination of the period of suspension. If the request is not so withdrawn the redemption of such Participating Shares shall be made on the day specified in the applicable Offering Memorandum following the end of the suspension.

(d) Redemption by the Company

Subject to the provisions of the Companies Law and these Articles, if the Directors determine in their absolute discretion that:

- (i) Participating Shares owned directly or beneficially by any person or persons who or which, by virtue of the holding concerned, give rise to a breach of any applicable laws or requirement in any jurisdiction or may, either alone or together with other Members, in the sole and conclusive opinion of the Directors:
 - (A) prejudice the tax status or residence of the Company or the holders of Participating Shares of any particular class or series; or
 - (B) cause the Company or the holders of Participating Shares of any particular class or series to suffer any pecuniary, fiscal or regulatory disadvantages; or
 - (C) cause the Company to be required to comply with any registration or filing requirements in any jurisdiction with which it would not otherwise be required to comply; or
- (ii) the value at the Net Asset Value per Participating Share as at the close of business on the last preceding Valuation Day of the shares held by a Member is less than the amount specified in the applicable Offering Memorandum;
- (iii) Participating Shares are, in the opinion of the Directors, held or being acquired directly or indirectly for the account of a US Person or any other person who is not an eligible investor;
- (iv) any Member has delayed or failed to produce any information required by the Company or its service providers for verification purposes;
- (v) any other circumstances exist which are set out in the applicable Offering Memorandum as being circumstances entitling the Company to redeem some or all of the Participating Shares of one or more Members,

then the Company may by giving written notice to a holder of Participating Shares redeem on the day specified in the notice all or some of the Participating Shares of any or all classes or series held by that holder at the Redemption Price per Participating Share of the relevant class or series as of the most recent Valuation Day (and the Directors may specify a special Valuation Day for such purposes).

Subject to the provisions of the Companies Law and these Articles, if the Directors determine in their absolute discretion that:

- (1) the aggregate amount invested in the Company or in any Investment Account or the small number of holders of Participating Shares of all classes or series or of any class or series at any time does not justify or support the continued trading and existence of the Company or a particular class or series of Participating Shares;
- (2) the aggregate value of all Participating Shares of a class is less than the amount set out in the applicable Offering Memorandum; or

(3) in any other circumstances in which the Directors determine in their absolute discretion that such compulsory redemption is in the best interests of the Company,

the Company may, by giving written notice to all holders of Participating Shares or all holders of Participating Shares of a particular class or series, redeem on the day specified in the notice all of the Participating Shares or the applicable class or series held by such holders at the Redemption Price per Participating Share of the relevant class or series as of the most recent Valuation Day (and the Directors may specify a special Valuation Day for such purposes).

(e) Adjustments and Equalisation

The Directors may make such further regulations concerning share issue and redemption as they shall from time to time deem necessary. Such regulations may include without limitation provision for adjustments to be made to the price at which Participating Shares are issued and/or redeemed as the Directors consider appropriate and fair for an equitable allocation among Members of, Inter alia, duties and charges payable by the Company in connection with the purchase and realisation of securities. The Directors are also empowered to approve such arrangements as they consider appropriate whereby adjustments are made to the subscription and redemption prices and value of Participating Shares to ensure, so far as practicable, inter alia, that all shares of the same class have the same net asset value per Participating Share, that Members have the same capital per Participating Share of the same class at risk in the Company and participate on an equitable basis in the profits and losses of the Company. Without prejudice to the generality of the foregoing, the Directors may in their discretion make such arrangements as are required for an equitable treatment of Members as to any performance, incentive or similar fees due from the Company including those referred to in the applicable Offering Memorandum, which arrangements may include redeeming a portion of a Member's shareholding for no consideration (and applying the value of such shares in payment of fees) or receiving from a Member on subscription an additional sum by way of equalisation credit to be held toward a potential future subscription for shares in order to equitably adjust such Member's aggregate holding.

(f) Series

The Directors may in their discretion issue Participating Shares of each class in different series and may convert by way of a re-designation or otherwise one or more series into series of the same class, to the extent and in such circumstances as they may deem it necessary or desirable including, without limitation, in order to effect or facilitate any arrangements or adjustments referred to in Article 10(e) above, each series ranking equally in priority and preference with every other series of the same class except to the extent specified by the Directors and necessary or desirable for the foregoing purposes.

(g) Provisions applicable to all redemptions

Subject to this Article, the amount due on redemption of Participating Shares of a particular class or series redeemed will be paid within such period and in such manner as is specified in the applicable Offering Memorandum in respect of Participating Shares of such class or series. Payment for such Participating Shares shall be made at the risk and cost of the Member in such currency or currencies as the Directors shall determine in respect of a particular class or series of Participating Shares.

The Directors may elect in their absolute discretion to effect a redemption payment to any or all redeeming holders of Participating Shares, either in whole or in part, in specie or in kind rather than in cash, in which event the Directors shall use the same valuation

procedures used in determining the net asset value of the Company and of the relevant class to determine the value to be attributed to the relevant securities to be transferred or assigned to redeeming holders of Participating Shares who shall receive securities of a value equal to the redemption payment to which they would otherwise be entitled and who shall be responsible for all custody and other cost involved in changing the ownership of the relevant securities from the Company to the redeeming holders of Participating Shares and on-going custody costs. Where such an election is made, the Directors or the relevant Member(s) may further elect for the relevant assets to be held in a segregated account of the Company and for the proceeds of disposal of such assets, less costs, to be distributed to the relevant Member(s). Any such distributions in specie will not materially prejudice the interests of existing holders of Participating Shares.

If after the relevant Redemption Day and prior to payment of the amount due on redemption the determination of the value of the relevant Investment Account or the Net Asset Value per Participating Share of the relevant class or series is suspended the Company may, where the Directors believe that to make such payment during the period of suspension would prejudice the interests of holders of Participating Shares, withhold payment from persons whose Participating Shares have been redeemed prior to such suspension until after the suspension is lifted.

If any Member has, in the opinion of the Directors, delayed or failed to produce any information required by the Company or its service providers for verification purposes, payment of the amount due on redemption may be delayed. In addition, the Directors may suspend the payment of any amount due on redemption if they determine it necessary to do so to comply with anti-money laundering regulations applicable to the Company or any of its service providers.

On the relevant date, Redemption Day, the holder of Participating Shares to be redeemed shall cease to be entitled to any rights in respect of that Participating Share (excepting always the right to receive a dividend which has been declared in respect thereof prior to such redemption being effected) and accordingly his name shall be removed from the Register of Members with respect thereto and the share shall be available for re-issue and until re-issue shall form part of the unissued share capital of the Company.

No interest will accrue on the redemption monies pending payment.

The Directors may make such further regulations concerning redemption as they shall from time to time deem necessary.

(h) Minimum Subscriptions and Holdings

The Directors may determine from time to time with respect to the Participating Shares of each class the minimum aggregate number of Participating Shares to be subscribed for during the initial offer period before any such Participating Shares of such class are issued, the minimum number of Participating Shares to be issued to each prospective Member, the minimum number of Participating Shares of such class capable of being redeemed by any Member with reference to any Redemption Day or such day as the Directors may determine (or an amount in respect thereof) and the minimum number of Participating Shares (or any amount in respect thereof) to be otherwise issued to or held on an ongoing basis after any redemptions by each Member of each class.

(i) Return of Capital on Liquidation

On a return of capital on liquidation or winding up of the Company the assets of the Company available for distribution amongst its Members shall be applied in the following priority:

- (i) firstly, in the payment to the holders of the Participating Shares of each class of a sum in the currency in which that class is designated (or in any other currency selected by the liquidator) as nearly as possible equal (at a rate of exchange determined by the liquidator) to the Net Asset Value of the Participating Shares of such class held by such holders respectively as at the date of commencement to wind up provided that there are sufficient assets available in the relevant Investment Accounts. In the event that there are insufficient assets available in the relevant Investment Account, to enable such payment to be made recourse shall be had:
 - (A) first, to any assets of the Company not comprised within any of the Investment Accounts; and
 - (B) secondly, to the assets remaining in the Investment Accounts for the other classes or series of Participating Shares (after payment to the holders of the Participating Shares of that class or series to which they relate of the amounts to which they are respectively entitled under this paragraph (i)) pro rata to the total value of such assets remaining within each investment Account;
- (ii) secondly, in the payment to the holders of Participating Shares of a particular class or series any balance then remaining in the relevant investment Account, such payment being made in proportion to the number of Participating Shares held;
- (iii) thirdly, in the payment to the holders of the Management Shares of the nominal amount paid up on the Management Shares; and
- (iv) fourthly, in the payment to the holders of the Participating Shares of any balance then remaining and not comprised within any of the Investment Accounts, such payment being made in proportion to the number of Participating Shares held.
- 11. The rights and restrictions attaching to the Management Shares are as follows:
 - (a) Dividends

Holders of Management Shares shall not be entitled to any dividends.

(b) Voting

Holders of Management Shares have the right to receive notice of, attend, speak and vote at general meetings of the Company.

(c) Repurchase

The Company may at any time purchase Management Shares on such terms and in such manner as the Company may agree with the holder save that the price to be paid by the Company shall not exceed the amount paid up on such shares.

(d) Return of Capital on Liquidation

10

The Company may also on any issue of shares pay such brokerage as may be lawful.
- 14. The Directors shall keep or cause to be kept a register of members as required by Section 40 of the Companies Law at such place or places as the Directors may from time to time determine, and in the absence of any such determination, the Register of Members shall be kept at the registered office of the Company. The Company shall not be bound to register more than four persons as the joint holders of any share or shares.

ISSUE OF SHARES

- 15. Participating Shares of a particular class or series shall be issued on the terms and at the Subscription Price per Participating Share referred to in the applicable Offering Memorandum with such adjustments as the Directors may, in their absolute discretion, determine as set out in the applicable Offering Memorandum. The Directors may charge a subscription charge in respect of Participating Shares of a particular class or series in accordance with the provisions of the Offering Memorandum relevant to such class or series. The Directors may refuse to issue a particular class or series of Participating Shares to any category or class of persons as provided in the Offering Memorandum. The Directors may refuse to issue Participating Shares to any person. No Participating Shares shall be issued to an ineligible investor so designated by the Directors and the Directors shall have power to impose such further restrictions on the Participating Shares as they may think necessary for the purpose of ensuring that no Participating Shares are acquired or held by any person in breach of these Articles, the Companies Law or the applicable requirements of any country or governmental authority.
- 16. The Directors may in their absolute discretion refuse to accept any application for Participating Shares and may accept any application in whole or in part.
- 17. The Directors shall not be obligated to issue Participating Shares of any class or series during any period when the determination of the value of the Investment Account established in respect of that class or series of Participating Shares is suspended.
- 18. The Directors may elect in their absolute discretion to accept a subscription payment for Participating Shares of any class, either in whole or in part, in specie and in kind rather than in cash, in which event the Directors shall use the same valuation procedures used in determining the Net Asset Value per Participating Share to determine the value to be attributed to the relevant assets to be transferred or assigned or made available to the Company which shall receive securities of a value equal to the subscription payment to which the Company would otherwise be entitled. The subscriber shall be responsible for all custody and other costs involved in changing the ownership of the relevant assets to the Company unless the Directors agree otherwise.

FRACTIONAL SHARES

19. The Directors may issue fractions of a share of any class or series of shares, and, if so issued, a fraction of a share (calculated up to four decimal points or such other number of decimal places as the Directors may determine) shall be subject to and carry the corresponding fraction of liabilities (whether with respect to any unpaid amount thereon, contribution, calls or otherwise), limitations, preferences, privileges, qualifications, restrictions, rights (including, without limitation, voting and participation rights) and other attributes of a whole share of the same class or series of shares. If more than one fraction of a share of the same class or series is issued to or acquired by the same Member such fractions shall be accumulated.

INVESTMENT ACCOUNTS

- 20. There shall be established for each class and series of Participating Shares an account in the books and records of the Company or administrator or custodian (an "Investment Account") to which the following provisions shall apply:
 - (a) the proceeds from the allotment and issue of Participating Shares of a particular class or series and the assets and liabilities and income and expenditure attributable to that class or series of Participating Shares shall be applied or charged to the Investment Account established for such class or series of Participating Shares subject to the provisions of this Article;
 - (b) where any asset is derived from another asset (whether cash or otherwise) such derivative asset shall be applied to the Investment Account from which the related asset was derived and on each revaluation of an investment the increase or diminution in the value thereof (or the relevant portion of such increase or diminution in value) shall be applied to or deducted from the relevant Investment Account;
 - (c) in the case of an asset (or amount treated as a notional asset) which the Directors do not consider is attributable to a particular Investment Account or Investment Accounts, the Directors shall have the discretion to determine the basis upon which any such asset shall be allocated between Investment Accounts and the Directors shall have power at any time and from time to time to vary such allocation;
 - (d) where assets not attributable to any Investment Account give rise to any net profits or losses, the Directors may allocate the assets representing such net profits or other net losses to the Investment Accounts as they think fit;
 - (e) the liability to pay a dividend on a class of Participating Shares shall be allocated to the corresponding Investment Account and the Directors shall allocate any other liability to the Investment Account or Investment Accounts to which, in the Directors' opinion, it relates or if in the Directors' opinion it does not relate to any particular Investment Account or Investment Accounts, between the investment Accounts at the Directors' discretion in such manner as they consider fair and reasonable in all the circumstances and the Directors shall have power at any time and from time to time to vary such basis. Such allocation will generally be pro rata to the Net Asset Value of the relevant Investment Accounts;
 - (f) in any proceedings brought by any holder of Participating Shares of a particular class or series in respect of the rights of such holder as the holder of such Participating Shares, any liability of the Company to such shareholder in respect of such proceeding shall only be settled out of the assets in the Investment Account corresponding to such Participating Shares, without recourse in respect of such liability or any allocation of such liability to any other class or series of shares of the Company;

- (g) the Directors may make debits or credits of assets (or amounts treated as notional assets) to Investment Accounts if, as a result of a creditor or litigant proceeding against certain of the assets of the Company or otherwise, a liability would be borne in a different manner from that in which it would have been borne under paragraph 20(e) above, or in any similar circumstances; and
- (h) save as otherwise provided in these Articles, the assets allocated to an Investment Account shall be applied solely in respect of the Participating Shares of the class or series to which such Investment Account relates and no holder of Participating Shares of that series or class shall have any claim or right to any asset allocated to any other Investment Account.

For the avoidance of doubt and without prejudice to this Article, the Directors may maintain, in such manner as specified in the Offering Memorandum, each Investment Account in one or more account, portfolio or pool and either separately or jointly with other Investment Accounts.

DETERMINATION OF VALUE OF INVESTMENT ACCOUNTS

- 21. In determining the value of each Fund, Investment Account and the Net Asset Value per Participating Share of each class or series, the assets and liabilities income and expenditure of the Company shall be determined on the basis set out in the applicable Offering Memorandum and subject thereto on the basis of such generally accepted accounting principles under such basis of accounting as the Directors shall determine from time to time, with the Directors determining specific accounting principles applicable from time to time to apply to the calculation of the value of each investment Account.
- 22. The value of each Fund and/or investment Account shall be determined on each Valuation Day by reference to the values of the assets and liabilities of the Company as at the valuation point on the Valuation Day approved by the Directors.
- 23. The determination of the value of a Fund and/or an Investment Account shall be examined annually by the Company's auditors. In the event that there is a disagreement between the Board of Directors and the auditors regarding the value of an Investment Account and the Board of Directors and the auditors are unable to reach agreement, the final determination shall be made by the Board of Directors.
- 24. Any valuation made pursuant to these Articles shall, in the absence of manifest error, be binding on all persons.

SUSPENSION OF THE DETERMINATION OF THE VALUE OF AN INVESTMENT ACCOUNT, SUBSCRIPTIONS AND REDEMPTIONS

- 25. The Directors may in their absolute discretion declare a suspension of the determination of the value of a Fund, an Investment Account, the Net Asset Value per Participating Share of a class or series, the redemption of any class or series of Participating Shares and/or the subscription of any class or series of Participating Shares during any part of a period specified for such purposes in the Offering Memorandum in respect of a particular Investment Account, class or series of Participating Shares.
- 26. Any such suspension shall take effect at such time as the Directors shall declare and thereafter there shall be no determination of the value of such Investment Account or the Net Asset Value per Participating Share until the Directors declare the suspension to be at an end.

- 27. Whenever the Directors shall declare a suspension of the determination of the value of a Fund, an Investment Account, the redemption of any class or series of Participating Shares and/or the subscription of any class or series of Participating Shares the Directors shall notify, or cause to notify, holders of the relevant class or series of Participating Shares who have tendered their shares for redemption and who have not received the redemption proceeds in respect of such shares or his agent by mail or any other means.
- 28. The Directors may postpone any Dealing Day, Redemption Day and/or Valuation Day for up to one Business Day without the requirement to give notice to holders of Participating Shares when, in the opinion of the Directors, a significant proportion of the assets attributable to the relevant investment Account cannot be valued on an equitable basis and such difficulty is expected by the Directors to be overcome within that period.

VARIATION OF RIGHTS ATTACHING TO SHARES

- The rights attaching to any class or series of share (unless otherwise provided by the terms of 29. issue of the shares of that class or series) may be varied or abrogated by the Directors without the consent of holders of shares of such class or series if the Directors determine that such change is not materially adverse to the interests of the holders of shares of such class, but otherwise with the consent in writing of the holders of two-thirds of the Issued shares of that class or series, or with the sanction of a resolution passed by not less than a two-thirds majority of the holders of shares of the class or series present in person or by proxy at a separate general meeting of the holders of the shares of the class or series. To every such separate general meeting the provisions of these Articles relating to general meetings of the Company shall mutatis mutandis apply, but so that the necessary quorum shall be at least one person holding or representing by proxy not less than one-third of the Issued shares of the class or series and that any holder of shares of the class or series present in person or by proxy may demand a poll. If, within half an hour from the time appointed for the meeting, a quorum is not present, the meeting, if convened upon the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week at the same time and place and, if at the adjourned meeting a quorum is not present within half an hour from the time appointed for the meeting, the Member or Members present and entitled to vote shall be a quorum. For such purposes, the Directors may treat any or all of the said classes or series of shares as forming one class or series if they consider that such classes or series would be affected in the same way by the proposals under consideration but, in any other case, shall treat them as separate classes or series.
- 30. The rights conferred upon the holders of the shares of any class or series issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class or series, be deemed varied or abrogated by, inter alla, the creation, allotment or issue of further shares ranking pari passu with or subsequent to them, the redemption or repurchase of any shares, by the passing of a Directors resolution to change or vary any investment objective, investment technique and strategy and/or investment policy in relation to a class or series of share, any modification of the fees payable to any service provider to the Company, any change to a Valuation Day, Dealing Day or Redemption Day to another day.

CERTIFICATES

31. Shares will be issued in fully registered, book-entry form and certificates for shares will only be issued with the consent of the Directors at the request of a holder of a particular class or series. In respect of a share or shares held jointly by several persons, the Company shall not be bound to issue more than one certificate, and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to all. If a share certificate is defaced, lost or destroyed it may be reissued on such terms, if any, as to evidence and indemnity as the Directors think fit.

LIEN

14

G:Publick and an DW2006 Walling as Crowth Fundwalk Filter, dog

- 32. The Company shall have a first priority lien and charge on every share (not being a fully paid up share) for all moneys (whether presently payable or not) called or payable at a fixed time in respect of that share, and the Company shall also have a first priority lien and charge on all shares (other than fully paid up shares) standing registered in the name of a single person for all moneys presently payable by him or his estate to the Company, but the Directors may at any time declare any share to be wholly or in part exempt from the provisions of this Article. The Company's lien, if any, on a share shall extend to all dividends payable thereon.
- 33. The Company may sell, in such manner as the Directors think fit, any shares on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable nor until the expiration of 14 days after a notice in writing, stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share, or the persons entitled thereto by reason of his death or bankruptcy.
- 34. For giving effect to any such sale the Directors may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares comprised in any such transfer and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.
- 35. The proceeds of the sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable, and the residue shall (subject to a like lien for sums not presently payable as existed upon the shares prior to the sale) be paid to the person entitled to the shares at the date of the sale.

CALLS ON SHARES

- 36. The Directors may from time to time make calls upon the Members in respect of any moneys unpaid on their shares, and each Member shall (subject to receiving at least 14 days' notice specifying the time or times of payment) pay to the Company at the time or times so specified the amount called on his shares.
- 37. The joint holders of a share shall be jointly and severally liable to pay calls in respect thereof.
- 38. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest upon the sum at the rate of eight per centum per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors shall be at liberty to waive payment of that interest wholly or in part.
- 39. The provisions of these Articles as to the liability of joint holders and as to payment of interest shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the amount of the share, or by way of premium, as if the same had become payable by virtue of a call duly made and notified.
- 40. The Directors may make arrangements on the Issue of shares for a difference between the Members, or the particular shares, in the amount of calls to be paid and in the times of payment.
- 41. The Directors may, if they think fit, receive from any Member willing to advance the same all or any part of the moneys uncalled and unpaid upon any shares held by him, and upon all or any of the moneys so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding without the sanction of an Ordinary Resolution, eight per centum per annum) as may be agreed upon between the Member paying the sum in advance and the Directors.

FORFEITURE OF SHARES

- 42. If a Member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Directors may, at any time thereafter during such time as any part of such call or instalment remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.
- 43. The notice shall name a further day (not earlier than the expiration of 14 days from the date of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed the shares in respect of which the call was made will be liable to be forfeited.
- 44. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may at any time thereafter, before the payment required by notice has been made, be forfeited by a resolution of the Directors to that effect.
- 45. A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit, and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit.
- 46. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares, but shall, notwithstanding, remain liable to pay to the Company all moneys which at the date of forfeiture were payable by him to the Company in respect of the shares, but his liability shall cease if and when the Company receives payment in full of the fully paid up amount of the shares.
- A statutory declaration in writing that the declarant is a Director of the Company, and that a share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. The Company may receive the consideration, if any, given for the share on any sale or disposition thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of and he shall thereupon be registered as the holder of the share, and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.
- 48. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which by the terms of issue of a share becomes due and payable, whether on account of the amount of the share, or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

TRANSFER OF SHARES

- 49. The instrument of transfer of any share shall be in any usual or common form or such other form as the Directors may in their absolute discretion approve and such form of transfer may include such warranties as the Directors may, from time to time, require and shall be executed by or on behalf of the transferred and if so required by the Directors shall also be executed by or on behalf of the transferee and shall be accompanied by such evidence as the Directors may reasonably require to show the right of the transferor to make the transfer. The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the Register of Members in respect thereof.
- 50. The Directors may in their absolute discretion decline to register any transfer of shares to a US Person or to any persons who are not eligible investors or where the holding of such shares could

result in regulatory, pecuniary, legal, taxation or material administrative disadvantage for the Company or in any circumstances that are set out in the applicable Offering Memorandum as being circumstances entitling the Directors to refuse to register a transfer of Participating Shares. Save to the extent that the provisions of any applicable Offering Memorandum provide to the contrary, the Directors may decline to register any transfer of shares where the transfer would result in the transferee holding Participating Shares with an aggregate Net Asset Value per Participating Share of less than the amount set out in the applicable Offering Memorandum. The Directors may in their absolute discretion decline to register a transfer during the 21 days before a general meeting.

- 51. The Directors may in their absolute discretion decline to register a transfer when the transfer instrument is not accompanied by the relevant application or subscription form of the Company duly completed from the transferee, the share certificate (if any) and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer and to verify the identity of the transferee.
- 52. If the Directors refuse to register a transfer of shares they shall within 21 days after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.
- 53. The registration of transfers may be suspended at such times and for such periods as the Directors may from time to time determine, provided always that such registration shall not be suspended for more than 45 days in any year.
- 54. The Company shall retain all instruments of transfer that shall be registered, but any instrument of transfer that the Directors decline to register shall (except in any case of fraud) be returned to the person depositing the same.

COMPULSORY TRANSFER

- 55. The Directors shall be entitled by service of a notice (a "Transfer Notice") to require the transfer of any Participating Shares held by, or for the benefit of, any person:
 - (a) who is a US Person or is holding Shares for the account of a US Person or any other person who is not an eligible investor;
 - (b) who, by virtue of the holding concerned, gives rise to a regulatory, pecuniary, legal or taxation or material administrative disadvantage to the Company or holders of Participating Shares;
 - (c) in the event that the continued ownership of Participating Shares by such person could result in adverse tax or regulatory consequences to the Company or holders of Participating Shares or require the Company to comply with any registration or filing requirements in any jurisdiction with which it would not otherwise be required to comply;
 - (d) who has failed to provide any information or declaration required by the Directors within twenty one days of being requested to do so; or
 - (e) any other circumstances exist which are set out in the applicable Offering Memorandum as being circumstances entitling the Company to require the transfer of some or all of the Participating Shares of one or more Members.
- 56. It shall be for the Directors in their absolute discretion to decide whether or not the provisions of the previous Article apply and this discretion shall be exercisable regardless of the date of the entry of a Member on the Register and the number of Participating Shares held by a Member.

The Directors shall not be required to give any reasons for any decision, determination or declaration taken or made in accordance with this Article.

- 57. If the required transfer is not effected immediately after service of a Transfer Notice on the registered holder (the "Notified Holder"), the Directors are entitled to:
 - (a) as agent of the Notified Holder, execute or authorise some person to execute and deliver on the Notified Holder's behalf, an instrument of transfer in respect of the Participating Shares held by the Notified Holder and the Company may sell the Participating Shares as agent of the Notified Holder at a price determined in accordance with the provisions contained in the following Article, deduct therefrom any fiscal charges, fees and expenses incurred by the Company as a result of the compulsory transfer, receive the sale proceeds as agent of the Notified Holder and cause the transferee to be registered as the holder of such Participating Shares subject to the provisions of these Articles. The receipt of the Company for the sale proceeds shall be a good discharge to the transferee (who shall not be bound to see the application thereof) and after the transferee has been registered in exercise or purported exercise of the aforesaid powers, the validity of the proceedings shall not be questioned by any person;
 - (b) compulsorily redeem the Participating Shares in accordance with Article 10(d).

Until such transfer or redemption is effected, the holder of such Participating Shares shall not be entitled to any rights or privileges attaching to such Participating Shares.

- 58. In the event of a compulsory transfer, the sale price of the Participating Shares shall be such price as is reasonably obtainable by selling such Participating Shares in the market.
- The sale proceeds of a compulsory transfer, after deduction of the amounts set out in these Articles, will be deposited by the Company in a bank for payment to the holder of the Participating Shares subject to compulsory transfer against the proffering of such evidence as to title as the Directors may require. Upon the deposit of the sale proceeds, the holder shall have no further interest in the Participating Shares or any of them or any claim against the Company in respect thereof except the right to receive the sale proceeds of redemption or transfer so deposited (without interest) upon proffering such evidence. Subject thereto, the Company may make payment of the sale proceeds to the relevant former holder in such manner as it thinks fit.
- 60. In order to give effect to the foregoing restrictions and provisions, the Company may require any Member at any time to furnish such information and declarations as the Directors may require. Any Member who fails to provide such information or declarations within a reasonable time (not being less than 21 days after service of the request for the same) may be deemed to be holding Participating Shares to which the compulsory transfer provisions above apply.
- 61. If a Member becomes aware (otherwise than as a result of receiving a Transfer Notice) that he is holding Participating Shares in circumstances that would entitle the Directors to give a Transfer Notice in respect thereof, he shall forthwith inform the Directors and take such steps as necessary so as to ensure that such Participating Shares cease to be held in such circumstances.

TRANSMISSION OF SHARES

The legal personal representative of a deceased sole holder of a share shall be the only person recognised by the Company as having any title to the share. In the case of a share registered in the name of two or more holders, the survivors or survivor, or the legal personal representatives of the deceased survivor, shall be the only person recognised by the Company as having any title to the share.

- Any person becoming entitled to a share in consequence of the death or bankruptcy of a Member shall upon such evidence being produced as may from time to time be properly required by the Directors, have the right either to be registered as a Member in respect of the share or, instead of being registered himself, to make such transfer of the share as the deceased or bankrupt person could have made; but the Directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the share by the deceased or bankrupt person before the death or bankruptcy.
- 64. A person becoming entitled to a share by reason of the death or bankruptcy of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a Member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company.

ALTERATION OF SHARE CAPITAL

- 65. The Company may from time to time by Ordinary Resolution increase the share capital by such sum, to be divided into shares of such class or series and amount, as the resolution shall prescribe.
- 66. The Company may by Ordinary Resolution:
 - (a) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares;
 - (b) convert all or any of its paid up-shares into stock and reconvert that stock into paid up shares of any denomination;
 - subdivide its existing shares, or any of them into shares of a smaller amount provided that in the subdivision the proportion between the amount paid and the amount, if any, unpaid on each reduced share shall be the same as it was in case of the share from which the reduced share is derived; or
 - (d) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and diminish the amount of its share capital by the amount of the shares so cancelled.
- 67. The Company may by Special Resolution reduce its share capital and any capital redemption or share premium account reserve in any manner authorised by law.
- 68. The Company may purchase its own shares on such terms and in such manner as the Company may agree with the holder.

CLOSING REGISTER OF MEMBERS OR FIXING RECORD DATE

69. For the purpose of determining those Members that are entitled to receive notice of, attend or vote at any meeting of Members or any adjournment thereof, or those Members that are entitled to receive payment of any dividend, or in order to make a determination as to who is a Member for any other purpose, the Directors may provide that the Register of Members shall be closed for transfers for a stated period but not to exceed in any case 40 days. If the Register of Members shall be so closed for the purpose of determining those Members that are entitled to receive notice of, attend or vote at a meeting of Members such register shall be so closed for 14 days immediately preceding such meeting and the record date for such determination shall be the date of the closure of the Register of Members.

- 70. In lieu of or apart from closing the Register of Members, the Directors may fix in advance a date as the record date for any such determination of those Members that are entitled to receive notice of, attend or vote at a meeting of the Members and for the purpose of determining those Members that are entitled to receive payment of any dividend the Directors may, at or within 90 days prior to the date of declaration of such dividend fix a subsequent date as the record date for such determination.
- 71. If the Register of Members is not so closed and no record date is fixed for the determination of those Members entitled to receive notice of, attend or vote at a meeting of Members or those Members that are entitled to receive payment of a dividend, the date on which notice of the meeting is posted or the date on which the resolution of the Directors declaring such dividend is adopted, as the case may be, shall be the record date for such determination of Members. When a determination of those Members that are entitled to receive notice of, attend or vote at a meeting of Members has been made as provided in this section, such determination shall apply to any adjournment thereof.

GENERAL MEETINGS

- 72. The Directors may, whenever they think fit, convene a general meeting of the Company.
- 73. General meetings shall also be convened on the written requisition of any one or more Member or Members entitled to attend and vote at general meetings of the Company who hold not less than 10 per cent of the voting share capital of the Company deposited at the registered office of the Company specifying the objects of the meeting signed by the requisitionists, and if the Directors do not convene such meeting within 21 days from the date of delivery of the requisition being left at the registered office of the Company for a date not later than 45 days after the date of such deposit, the requisitionists themselves may convene the general meeting in the same manner, as nearly as possible, as that in which meetings may be convened by the Directors, and all reasonable expenses incurred by the requisitionists as a result of the failure of the Directors shall be reimbursed to them by the Company.
- 74. If at any time there are no Directors of the Company, any Member entitled to vote at general meetings of the Company may convene a general meeting in the same manner as nearly as possible as that in which meetings may be convened by the Directors.

NOTICE OF GENERAL MEETINGS

- 75. At least twenty-one days' notice of general meeting counting from the date service is deemed to take place as provided in these Articles specifying the place, the day and the hour of the meeting and, in case of special business, the general nature of that business, shall be given in the manner hereinafter provided or in such other manner (if any) as may be prescribed by the Company by Ordinary Resolution to such persons as are, under these Articles, entitled to receive such notices from the Company, but with the consent of all the Members entitled to receive notice of some particular meeting and attend and vote thereat, that meeting may be convened by such shorter notice or without notice and in such manner as those Members may think fit.
- 76. The accidental omission to give notice of a meeting to or the non-receipt of a notice of a meeting by any Member shall not invalidate the proceedings at any meeting.

PROCEEDINGS AT GENERAL MEETINGS

77. All business carried out at a general meeting shall be deemed special with the exception of sanctioning a dividend, the consideration of the accounts, balance sheets, and ordinary report of the Directors and the Company's auditors, and the appointment and removal of Directors and the fixing of the remuneration of the Company's auditors. No special business shall be transacted at

any general meeting without the consent of all Members entitled to receive notice of that meeting unless notice of such special business has been given in the notice convening that meeting.

- 78. No business shall be transacted at any general meeting unless a quorum of Members is present at the time when the meeting proceeds to business. Save as otherwise provided by these Articles, one or more Members holding in aggregate at least fifty per cent of the total issued voting share capital of the Company present in person or by proxy shall be a quorum.
- 79. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of Members, shall be dissolved, in any other case it shall stand adjourned to the same day in the next week, at the same time and place, and if at the adjourned meeting a quorum is not present within half an hour from the time appointed for the meeting the Member or Members present and entitled to vote shall be a quorum.
- 80. The chairman, if any, of the Board of Directors shall preside as chairman at every general meeting of the Company.
- 81. If there is no such chairman, or if at any meeting he is not present within fifteen minutes after the time appointed for holding the meeting or is unwilling to act as chairman, the Members present shall choose one of their number to be chairman.
- 82. The chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn a meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting is adjourned for 10 days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. Save as aforesaid it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
- At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands, unless a poll is (before or on the declaration of the result of the show of hands) demanded by one or more Members present in person or by proxy entitled to vote and who together hold not less than 10 per centum of the paid up voting share capital of the Company, and unless a poll is so demanded, a declaration by the chairman that a resolution has, on a show of hands, been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book of the proceedings of the Company, shall be conclusive evidence of the fact, without proof of the number or proportion of the votes recorded in favour of, or against, that resolution.
- 84. If a poll is duly demanded it shall be taken in such manner as the chairman directs, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- 85. In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded, shall be entitled to a second or casting vote.

You shall remain responsible for all Obligations initiated or authorized by you, including, without limitation, any transactions, debts, and interest as provided under this Agreement, whether arising before or after termination of this Agreement. We may terminate this Agreement or your Account any time, through an advanced written notice of no less than fifteen (15) days to you, for any reason in our sole and absolute discretion. The terms and conditions of this Agreement will survive termination of your Account and will continue to apply to any disputed or other remaining matters arising from our

24. Security and Confidentiality. You agree that you are the exclusive owner and solely responsible, jointly and severally if applicable, for the confidentiality and protection of your Account number and password that allows you to access our online systems. You further agree that you will be fully responsible for all activities including brokerage transactions that arise from the use of your Account number and password. You agree to indemnify and hold Verdmont harmless if any other person utilizing your confidential information provides instructions to us that may be contrary to your instructions. You will immediately notify us in writing or by e-mail of any loss, theft or unauthorized use of your Account number and/or password. Regarding the physical documentation, the contractual documents will be retain and conserved for a period of five (5) years.

25. Use of Verdmont's Web Sites, www.verdmont.com.pa , provides you with content and information. Content includes account positions, account activity, balances, transaction status, statements, confirmations and other Account-related data. You agree at all times to rely upon your transaction confirmations and statements as the official records of your Account.

26. Omnibus accounts, Verdmont has established omnibus accounts with its counterparties and custodians to hold client assets. By accepting this Agreement you fully understand the consequences and specific legal and operational risks associated with the acquisition or disposal of securities or financial instruments through global omnibus accounts held by the brokerage house with its Intermediaries. Verdmont maintains separate omnibus accounts for brokerage house and client assets. There is an established inhouse process to segregate cash and securities by client within the client omnibus accounts.

MARGIN ACCOUNTS

In consideration of Verdmont opening one or more Margin accounts for you, you agree to the foregoing and following provisions.

27. Margin Loans. We may, in our sole and absolute discretion, make loans to you for the purpose of purchasing, carrying or trading in securities, options or other securities ("Margin Loans"). Margin Loans will be made in a Margin Account. You agree that you are solely responsible for determining whether margin is appropriate for you in light of your financial resources, objectives, and other relevant circumstances. You understand and agree that Verdmont will not make this determination on your behalf. Subject to regulatory requirements, the minimum and maximum amount of any particular Margin Loan may be established by us in our discretion regardless of the amount of Collateral delivered to us and we may change such minimum and maximum amounts from

28. Risk of Margin Trading. You understand that trading on margin (including effecting short sales) involves a high degree of risk and may result in a loss of funds greater than the amount you have deposited in your Account.

29. Requirement to Maintain Sufficient Margin. Your margin transactions are subject, at all times, to the initial margin and maintenance margin requirements (the "Margin Requirements") established by us. You shall monitor your Account to ensure that at all times the Account shall contain a sufficient account balance to meet the applicable Margin Requirements. We may modify such Margin Requirements for open and new positions, at any time, in our sole and absolute discretion. The margin that we require may exceed the margin required by any exchange or association. We may reject any order if you do not have a sufficient account balance to meet Margin Requirements and may delay the processing of any order while determining the correct margin status of your Account. You shall maintain, without notice or demand from us, a sufficient account balance at all times so as to continuously meet the Margin Requirements.

30. Margin Calis. Margin calls may be issued in writing, via telephone, electronically, or by other means of communication. In some situations, such as volatile market conditions, we may not immediately issue a margin call when your Account equity falls below 35 percent. You are responsible for acting immediately on any maintenance calls, buy in or sell out notices given orally or in writing. Your failure to promptly deposit additional money or securities in response to a margin call, regardless of the equity level in your Account, may result in the liquidation of part or all of the securities in your Account. Although we will generally attempt to notify you of a margin call and give you an opportunity to deposit additional equity to secure the Account, we reserve the right to institute immediate discretionary liquidation of any and all securities without prior notice and without giving you the opportunity to deposit additional equity. This sole and absolute discretion applies regardless of any historical pattern of delivering verbal/written notices or of any current verbal or written representations by Verdmont that indicates a different dollar amount, liquidation time, or suggests additional time based on due date. This sole and absolute discretion to liquidate immediately applies regardless of time or suggests authorist time based of the dealer. This sole into absolute visit entrol to include the the sole and absolute discretion to choose which positions to liquidate and in what order. It is your responsibility to monitor and liquidate positions to minimize your losses before we are forced to liquidate on your behalf to protect our interest as a creditor. We reserve the right at our sole and absolute discretion to close out any positions for any Account that represents a negative liquidation value.

31. Interest Charges on Debit Balances. You agree to pay interest on all debit balances in any Account. Interest on your

average dally net debit balance will be calculated using a base rate determined by us and may be changed at any time in our discretion

32. Short Sales. You agree to advise us prior to entering a sell order if it is a "short" sale (the sale of a security that you do not own). You agree that all short sale transactions shall be executed in a Margin Account. You understand that to facilitate a short sale, we must borrow the securities that you sell short. Short sales can be subject to a buy in from settlement date and thereafter. Verdmont does not guarantee a minimum time to short a position. Should Verdmont be unable to borrow or re-borrow a security you have sold short, or for any other reason we deem prudent, we may at our discretion, with or without notice, cover your position by buying the stock at the current market price and you agree to be liable to Verdmont for any resulting debit balance. Margin Accounts are marked to the market daily and any increase in value of a short position will result in that unrealized loss being added to your debit balance and interest being charged as described above. Similarly, a drop in value will decrease your debit balance. If the lender should call in your borrowed securities for any reason such as a tender offer, and you cannot cover in time to make delivery, we may hold you responsible for any resulting loss. You agree that if (a) market conditions change, (b) we are unable to borrow the securities, (c) the lender recalls the securities, we may attempt to reborrow the securities, but you understand that we may need to cover the short position in the Account on the open market at the then current market price and market conditions. You are liable for any dividends paid on securities out have sold short.

porrow the securities, (c) the lender recalls the securities, we may attempt to reborrow the securities, but you tinderstand that we may need to cover the short position in the Account on the open market at the then current market price and market conditions. You understand that you will be responsible for any resulting loss or associated costs incurred by us in connection with "short" transactions. You are liable for any dividends paid on securities you have sold short.

33. Loan of Securities. We are authorized to lend ourselves, as principal or otherwise, or others any securities held by us in your Account and we shall have no obligation to retain under our possession and control a like amount of such securities. In connection with such loans, we may receive and retain certain benefits (including interest on collateral posted for such loans) to which you shall not be entitled. In certain circumstances, such loans may limit, in whole or in part, your ability to exercise voting rights of the securities lent.

34. Pledge of Securities, Options and Other Property. All securities and other property now or hereafter held, carried or maintained by us in or for your Account may, from time to time without notice to you, be pledged, repledged, hypothecated or rehypothecated by us, either separately or in common with other securities and other property. The values received may be greater than the amount you owe us. Any losses, gains or compensation resulting from these activities will not accrue to your brokerage Account.

35. Business Continuity Disclosure. Verdmont has in place a business continuity plan that will be activated in the event of a significant business disruption, such as a natural disaster, power outages or other events. Our plan is intended to permit us to continue critical business operations during these types of disruptions. For the most significant business disruption scenario that we have addressed, account access is planned to be available within minutes and all critical business operations would be resumed within one to two days.

36. Securities Settled Physically. Certain securities are not eligible for settlement electronically through recognized depositories and therefore must be settled through physical settlement. You agree to assume all extra costs associated with settling a security physically. This includes, but is not limited to, courier charges and "rush" fees at custodians, market intermediaries and transfer agents. Notwithstanding this, should a physical settlement fall or be delayed and result in a market intermediary buying in or selling-out the position, the buy-in/sell-out will be passed along to your account and you further agree to assume all risks and costs associated with the market buy-in or sell-out.

37. Movement of Securities' between depositories. In the event that you should place an order to buy a security in one country or marketplace and subsequently sell the same security into a different country or market place or the reverse of this, Verdmont will undertake to make the necessary movements between securities depositories in order to settle the transactions; however, you agree to assume all associated costs and risks. Should a transaction in one of the countries/marketplaces be delayed or fall and result in a buy-in or sell-out in one of the other countries/marketplaces the resulting buy-in or sell-out will be passed along to your account.

38. Warrant Exercise. In the event that you place sell orders for securities that you are entitled to from a warrant exercise but for which the certificates from the warrant exercise have not yet been received, cleared transfer and dematerialized, you assume all associated costs and risks of a falled or delayed settlement. Market buy-ins resulting from these delays will be passed along to your account.

39. Futures Accounts. Should your account be approved for buying or selling futures contracts, you understand that any given transaction may result in a loss. Furthermore, you understand that the loss may exceed not only the amount of the initial margin but also the entire amount deposited in the account or more. Verdmont may at its sole discretion move assets from your cash or margin account to cover losses in your futures account. For the purpose of interest calculations on debits or credits, your futures account is separate from your regular cash/margin account.

account is separate from your regular cash/margin account.

40. Withdrawals from Dormant Accounts. Dormant accounts incur custody expenses to Verdmont. A dormant account service charge of 3% may be levied on any deliveries or wire transfer out from accounts held by clients at Verdmont's discretion.

41. Parties Commitment. Both sides agree to comply with the Securities Law and its regulations specifically but not limited to what is stated in Agreement S-2003 and S-2006 of the Securities Market Superintendency of the Republic of Panama.

Subject to a request for the issue of bearer shares and to the payment of the appropriate consideration for the shares to be issued, the Company may, to the extent authorised by the Memorandum, issue bearer shares to, and at the expense of, such person as shall be specified in the request. The Company may also, upon receiving a request in writing accompanied by the share certificate for the shares in question, exchange registered shares for bearer shares or may exchange bearer shares for registered shares. Bearer share certificates shall be under the Seal and shall state that the bearer is entitled to the shares therein specified, and may provide by coupons, talons, or otherwise for the payment of dividends or other monies on the shares included therein.

SECTION 3

Subject to the provisions of the Act, the Memorandum and of these Articles the bearer of a bearer share certificate shall be deemed to be a member of the Company and shall be entitled to the same rights and privileges as he would have had if his name had been included in the share register of the Company as the holder of the shares.

SECTION 4

Subject to any specific provisions in these Articles, in order to exercise his rights as a member of the Company, the bearer of a bearer share certificate shall produce the bearer share certificate as evidence of his membership of the Company. Without prejudice to the generality of the foregoing, the following rights may be exercised in the following manner:

- (a) for the purpose of exercising his voting rights at a meeting, the bearer of a bearer share certificate shall produce such certificate to the chairman of the meeting;
- (b) for the purpose of exercising his vote on a resolution in writing, the bearer of a bearer share certificate shall cause his signature to any such resolution to be authenticated as hereinafter provided;
- (c) for the purpose of requisitioning a meeting of members, the bearer of a bearer share certificate shall address his requisition to the directors and his signature thereon shall be duly authenticated as hereinafter provided; and
- (d) for the purpose of receiving dividends, the bearer of a bearer share certificate shall present at such places as may be designated by the directors any coupons or talons issued for such purpose, or shall present the bearer share certificate to any paying agent authorised to pay dividends.

SECTION 5

The signature of a bearer of a bearer share certificate shall be deemed to be duly authenticated if the bearer of the bearer share certificate shall produce such certificate to a notary public or a bank manager or a director or officer of the Company (herein referred to as an "authorised person") and if the authorised person shall endorse the document bearing such signature with a statement:

- (a) identifying the bearer share certificate produced to him by number and date and specifying the number of shares and the class of shares (if appropriate) comprised therein;

- specifying the capacity in which he is qualified as an authorised person and, if a notary public, affixing his seal thereto or, if a bank manager, attaching an identifying stamp of the bank of which he is a manager.

SECTION 6

Notwithstanding any other provisions of these Articles, at any time, the bearer of a bearer share certificate may deliver the certificate for such shares into the custody of the Company at its registered office, whereupon the Company shall issue a receipt therefor under the Seal signed by a director or officer identifying by name and address the person delivering such certificate and specifying the date and number of the bearer share certificate so deposited and the number of shares comprised therein. Any such receipt may be used by the person named therein for the purpose of exercising the rights vested in the shares represented by the bearer share certificate so deposited including the right to appoint a proxy. Any bearer share certificate so deposited shall be returned to the person named in the receipt or his personal representative (if such person be dead) and thereupon the receipt issued therefor shall be of no further effect whatsoever and shall be returned to the Company for cancellation or, if it has been lost or mislaid, such indemnity as may be required by resolution of the directors shall be given to the Company.

SECTION 7

The bearer of a bearer share certificate shall for all purposes be deemed to be the owner of the shares comprised in such certificate and in no circumstances shall the Company or the chairman of any meeting of members or the Company's registrars or any director or officer of the Company or any authorised person be obliged to enquire into the circumstances whereby a bearer share certificate came into the hands of the bearer thereof, or to question the validity or authenticity of any action taken by the bearer of a bearer share certificate whose signature has been authenticated as provided in Section 5 above.

The Company shall be entitled to recognise the absolute right of the bearer of any coupon or talon issued as aforesaid to payment of the dividend to which it relates and delivery of the coupon or talon to the Company or its agents shall constitute in all respects a good and final discharge of the Company in respect of such dividend.

SECTION 10

If any bearer share certificate, coupon or talon be worn out or defaced, the directors may, upon the surrender thereof for cancellation, issue a new one in its stead, and if any bearer share certificate, coupon or talon be lost or destroyed, the directors may upon the loss or destruction being established to their satisfaction, and upon such indemnity being given to the Company as it shall by resolution of the directors determine, issue a new bearer share certificate in its stead, and in either case on payment of such sum as the Company may from time to time by resolution of the directors require. In case of loss or destruction the person to whom such new bearer share certificate, coupon or talon is issued shall also bear and pay to the Company all expenses incidental to the investigation by the Company of the evidence of such loss or destruction and to such indemnity.

SECTION 2

SECTION 7

No business shall be transacted at any meeting of the members unless a quorum is present. If such quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting such a quorum ceases to be present, the meeting shall stand adjourned from time to time until a quorum shall attend or to such time and place as the directors may determine.

SECTION 8

The chairman may, with the consent of a meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place, but no business shall be transacted at an adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for fourteen days or more notice shall be given of the adjourned meeting in accordance with Section 4 above. Otherwise it shall not be necessary to give such notice.

SECTION 9

A director shall, notwithstanding that he is not a member, be entitled to attend and speak at any meeting of the members and at any separate meeting of the holders of any class of shares in the Company.

SECTION 10

A resolution put to the vote of the meeting of the members shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands a poll is duly demanded. Subject to the provisions of the Act or the Memorandum, a poll may be demanded -

- (1) by the chairman of the meeting; or
- (2) by at least two members having the right to vote at the meeting; or
- by a member or members representing not less than 10 per cent. of the total voting rights of all the members having the right to vote at the meeting;

and a demand by a person as proxy for a member shall be the same as a demand by the member.

SECTION 11

SECTION 12

The demand for a poll may, before the poll is taken, be withdrawn but only with the consent of the chairman and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

SECTION 13

A poll shall be taken as the chairman directs and he may appoint scrutineers (who need not be members) and fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

SECTION 15

A poll demanded on the election of a chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time and place as the chairman directs not being more than thirty days after the poll is demanded. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.

SECTION 16

No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven days' notice shall be given specifying the time and place at which the poll is to be taken.

SECTION 17

If the Company shall have only one member then, provided that such member represents, in person or by proxy, a majority of the shares of the Company issued and outstanding, that member shall have full power to represent and act on behalf of the members of the Company and the provisions herein contained for meetings of the members shall not apply. A member as aforesaid shall record in writing by signing a note or memorandum all matters requiring a resolution of members of the Company and such act shall be deemed a resolution that has been carried unanimously by the members of the Company having the right to vote upon the matter in question. Such a note or memorandum shall be in lieu of minutes of a meeting and shall constitute sufficient evidence of such resolution for all purposes.

7. **VOTING AND PROXIES**

SECTION 1

At each meeting of the members, if there shall be a quorum, a majority of the votes cast at such meeting by the holders of shares entitled to vote thereon, and present in person or by proxy, shall decide all matters brought before such meeting, except as otherwise provided by the Act, by the Memorandum or by these Articles.

SECTION 2

A member shall be deemed to be present if he participates by telephone or other electronic means in the manner required by the Act in which event he shall be deemed to have raised or failed to raise his hand on a show of hands and to have voted either for, against or abstained on a poll as communicated by the participant by telephone or other electronic means, as appropriate, at the time of the vote in question. Any failure so to communicate by the participant shall be deemed to be a failure to raise his hand on a show of hands and an abstention on a poll on the vote in question.

SECTION 3

No objection shall be raised to the qualification of any vote except at the meeting at which the vote objected to is tendered. Any objection made in due time shall be referred to the chairman of the meeting whose decision shall be final and conclusive.
